

# NZ DECK & ENGINEER WATCHKEEPER COURSES

## COURSE BROCHURE

This course is jointly offered by IMETA and New Zealand Maritime School under the approval of Maritime New Zealand (MNZ)

### Course Name: Certificate of Competency Class 3 (Unlimited)

#### Course Delivery and Location:

**PHASE I:** Conducted by IMETA at our campuses across Asia (including on board our training ship), this 3-month pre sea training acts as a foundation course enabling students to serve on board merchant ships as deck cadets

**PHASE II:** Students will serve 18 months on board merchant ships as deck cadets, acquiring practical knowledge and skills enabling them to become officers upon completion of this course. They will also enhance their knowledge by continuing to learn through a MNZ approved distance-learning programme

**PHASE III:** Conducted by New Zealand Maritime School at their campuses in Auckland, NZ. This 6-month study programme at NZMS provides students with the knowledge and skills necessary to obtain the Certificate of Competency (Deck) from MNZ. It covers all requirements of the STCW 95 Convention, as amended, for this level including all necessary mandatory short courses.

#### Requirements and pre-requisites

##### Course Entry Qualification:

- GCSE "A" Level or equivalent (10+2) with Physics, Chemistry and Mathematics
- Medical and Eye Sight standards as per MNZ/IMO requirements

##### Certificate of Competency (CoC) Deck Watchkeeper:

- Students must take an MNZ Oral Examination as well as complete all ancillary courses required for the CoC to be issued, for which a sea-time assessment must be undertaken with MNZ, as per their requirements

Talk to our  
experienced  
counsellors to discuss  
your career needs

## Ready to experience the adventures of a maritime career?

Begin your seafaring career with  
the IMETA/NZMS course and  
pursue a deck officer's career  
pathway to be rewarded for life

We offer a complete pathway from leaving school to getting your first certification as a Watchkeeper on board merchant ships leading towards being a Master of a ship

Our programme is internationally approved by the Maritime New Zealand (MNZ) and meeting the STCW 95 convention requirements. Our graduates are certified to obtain the NZ Watchkeeper, Chief Mate and Master (Unlimited) Certificates of Competency.

Career opportunities for Deck Officers, who have spent considerable time at sea, exist through subsequent employment in shore-based areas such as shipping management, marine surveying, port and terminal management, stevedoring operations, pilotage or P&I Clubs.
